Buy a Sanitary Lavatory and Have Running Water in Any Room Without Plumbing.

The Rowe Sanitary Lavatory is positively the greatest modern convenience we know of. In design it is attractive and the construction throughout is massive and elegant without being too heavy to move from room to room. When you purchase a Rowe Sanitary Lavatory the first cost is the whole cost, and you have the convenience of running water without the expense of piping. If you live in a rented house and the landlord will not put in a lavatory (and doubtless there are such landlords) you can undertake the small expense of this equipment yourself, for when you move you can take it with you.
